- Prologue -
(June 27, 2020)

New Reencounter with The Current
14th Dalai Lama Seated on His
Throne!

Today, Wednesday, June 17, 2020, I have Lived Great Esoteric Events: A Journey through all South America's Places and Rivers where there are Records of the Name of the Great Cacique Paragua acknowledged by Paraguay's Ava-Guarani and Mbya Wise Elders as Their Ancestor and Great Father whom the Ancestral and Millenary Native Ava-Guarani and Mbya Peoples descend from... The Primeval Great Cacique Paragua is acknowledged by the last and Venerable Ava-Guarani Tamoi Oporaivas as now Reincarnated in V.M. Thoth-Moisés...

Then I had the Great Honor of The Visit and Manifestation of the Maitreya Buddha Our V.M. Samael Aun Weor here in Our Sacred Home, accompanied by Our V.M. Rabolú and V.M. Thoth-Moisés, all of which was immediately followed by my Meeting with the Current Dalai Lama with Holy Blessings and his immediate arrival and visit here in Our Sacred Home, bringing me a very Holy Esoteric Message...

Shortly afterward I had the Lived Experience and Vision of My Living Inner Christ Crucified on His Cross and the immediate Apparition and Manifestation of the Great Spirit of Wakantanka bringing me The Lakota and Sioux Wise Elders'

Ceremonial and Sacred Pipe...

I saw myself in my Astral Body here in Our Hermitage which was a very large Hall crowded with many People who were attending a sort of Congress where Our V.M. Samael Aun Weor and Our V.M. Rabolú had finished giving some Lectures.

I saw that Our V.M. Rabolú left first and Our V.M. Samael Aun Weor was following Him.

Therefore, I placed myself behind Our V.M. Samael Aun Weor and Walked behind Him to Protect Him like a Bodyguard.

I saw that Our V.M. Samael looked at me and smiled.

I realized that behind me was another Young Man accompanying me as well.

Then we lined up in two rows in military squadrons because many people had arrived, and we began trotting quickly, almost everyone began running, I told them it was wrong because we had to cover very long distances and we had to trot but not to run, because at that running pace they would get exhausted

very soon; and so it happened because when we, the few who continued trotting without running, reached them, we saw that they were very short-winded, panting very hard, so I warned them again and told them that if it were a short-distance running competition, then, indeed, we would have to run as fast as we could, but not at that time since the Path and the distances were very long... This reminds me now of the Song which says: *“A muleteer also told me that you don't have to arrive first but to know how to arrive...”*

Eventually, only the very few People who were still accompanying me could make it to the end...

The Place we managed to reach is in the Far East... (The Inner "East").

Still floating in my Astral Body, I saw the Dalai Lama who was at the head of a group of about 10 Lamas...

They were going in a sort of small Boat, like a Canoe or “Pirogue”..., everyone standing up in line and the Dalai Lama at the front, who was looking at me with Kindness, with his characteristic, ever-so-Kind smile...

I realized that they were the Dalai Lama's best Disciples who, although at the moment were not accompanied by Their Wives, are Unexcelled White Yoga Tantra practitioners, each one with His Wife...

All were Clad in Oriental attires of very Brightly Colored Fabrics and with Yellow and Red Hats on their Heads...

They finally reached a Riverbank or Seashore and landed on the sandy Beach...

Still floating in my Astral Body, I saw that the Dalai Lama was sitting on His Throne on the beach sand...

Then I saw myself walking on the sand, and I stepped with great respect before the Dalai Lama...

I saw myself in a Young Oriental Body, like a very Young Lama...

On approaching the Dalai Lama, who was still sitting on His Throne, I brought my hands together, palms touching, in front

of my chest, I bowed my head to Greet the Dalai Lama. Then the Dalai Lama, while Blessing me, pronounced some Words and Mantras that I cannot remember now.

I saw that on the Water horizon of the River or Sea, the Sun was rising in the East... A very Big, very Golden and Radiant Sun...

So I quickly threw myself on the beach sand right away, my whole body lying face down on the sand, but holding my hands folded in "Namaste" Adoration, and I began to Pray to the Sun Christ, the Solar Logos...

("Namaste... It is normally accompanied by a slight head bow made with palms open and pressed together in front of the chest in a prayer position. However, some western cultures use a deeper bow which betokens respect.")

The Dalai Lama was looking at me silently, very respectfully, seated on His Throne...

Then I saw myself here in Our Hermitage, accompanied by my Beloved Wife Gloria María, in the Patio where my Office is

being enlarged...

We saw through the new window that has been opened toward the East that the Sun was still very Radiant, very Bright, Golden, rising from the East...

My Beloved Wife came close to me.

I saw the Dalai Lama seated on the Throne where he was sitting before on the beach sand...

Then we saw the Dalai Lama arrive, he entered the New window, floating in His Astral Body, coming from the Far East...

The Dalai Lama was carrying a very ancient Papyrus Scroll that he was holding open in his hands and, while floating, he read it and said to me what is written there, that he wanted to tell me why many were against me, and he told me that it is because in that Ancient Manuscript it is written of me: *“For He is the Most Faithful on the entire Earth...”*

Then the Dalai Lama sat on another Throne before me, and I

told him that Our V.M. Samael Aun Weor is The Maitreya Buddha, showing him at the same time a Photograph of V.M. Samael Aun Weor that is the one kept by Our V.M. Rabolú in a big frame in his bedroom, which he once showed us there at his little house in Santa Marta, in the “*Mama-Toco*” neighborhood, next to the *Quinta de San Pedro Alejandrino* where the Great Liberator Simón Bolívar spent his final days... The Dalai Lama listened to me very pleased while looking at the photograph of Our V.M. Samael Aun Weor in token of approval.

I saw that Our Dearest Little Brother Wolf Aiden was accompanying us too...

Today, Wednesday, June 17, current Year 2020. “His Holiness the Dalai Lama” in “A Conversation...” by video-conference from “His Residence” in “Dharamsala, H.P. India”, “June 17, 2020”, from His “Office of His Holiness the Dalai Lama”, giving Teachings on “Karuna”, on His Discipline when going to bed, waking up in the early morning and going back to sleep, among other Words, he said the following: that he wakes up at 3:30 in the morning to go back to sleep a little later, and he tells that he had

“... short period some dream, this morning, at about, I usually use to get up at 3:30 morning, at about 3:00, just short sleep, some dream, see some ... some deities, some kind of blessing, here, Om, A, Hung, like that, so it is good, it is good, whether is it is a the realistically effect or not, mentally, emotionally, very helpful, so all this knowledge come from India, so these days I emphasize the India should revive thousand-year-old India’s tradition about mind, about inner world, the modern education, you see, much orientated about material value and including physical, the existing modern education...”

“dream where he saw some city, some deities...”

Later on, the Dalai Lama talks about the great Rivers:

“... all major rivers, you see, come from Tibet, in Sindh, Pakistan, and then Ganga, then Brahmaputra, and then Mekong River, then a Yellow River, all come from Tibet, so these rivers cover whole Asia, of course Japan or these are something different, otherwise the China Yellow River, Vietnam Mekong River like that, so the taking care about ecology in Tibet I feel very important, then we must pay more attention to preserve these rivers, now within my lifetime, you see, the...”

Later, out of my Physical Body again, I had the Vision of the LIVING CHRIST Crucified on The Cross, I heard a Voice saying:

“THE LIVING AND SUFFERING CHRIST IS CRUCIFIED ON HIS CROSS!”

Finally, I was given the Indigenous Sioux and Lakota Elders' Sacred Ceremonial Pipe by the Hand of the Sacred Spirit of Wakan-Tanka... along with the giving of a Most Beautiful all-Red Attire that also betokens the giving of the Red Stone of the Great Sacred Spirit of Wakan-Tanka...

**WHAT BUDDHA SAYS ABOUT
A BODHISATTVA**

"It is obvious that the dissemination of Gnosis in its revolutionary form [The Three Factors] will increase more and more the number of my opponents." (*V.M. Samael Aun Weor*).

These words of our Venerable and Beloved Master Samael Aun Weor, the Dhyani Bodhisattva of the Maitreya Buddha and Kalki Avatar of the New Age of Aquarius, have been and continue being fulfilled...

image

- Bodhisattva Shantideva -

The results of the behavior toward the Human Person of the Bodhisattva of a Venerable Master of the White Lodge, whether in thoughts, feelings, or actions, are explained by "Shantideva", whom His Holiness the *14th Dalai Lama* refers to:

"... 'If I have any understanding of compassion and the practice of the bodhisattva path, it is entirely on the basis of this text that I possess it.' The Dalai Lama speaking about Shantideva's *Guide to the Bodhisattva's Way of Life*"

"Shantideva is the most well-known Bodhisattva in the whole world. There is no doubt about it. His work *A Guide to the Bodhisattwa Way of Life* is the principal source for the *Lo-Jong* [mind training] tradition... Lo-jong refers primarily to the cultivation of bodhichitta..." (*His Holiness the 14th Dalai Lama, "Teaching February 24th-March 9th 2005 Thekchen Choeling Temple Dharamsala."*).

In this Work, "*A Guide to the Bodhisattwa Way of Life*", *Shantideva* says:

"34 **The Buddha has said** that whoever bears an evil thought Against a benefactor **such as that Bodhisattva** Will remain in hell for as many aeons As there were evil thoughts."

"35 But if a virtuous attitude should arise (in that regard), Its fruits will multiply far more than that. When Bodhisattvas greatly suffer they generate no negativity, Instead their virtues naturally increase." (*"A Guide to the Bodhisattva's Way of Life": "The Benefit of the Awakening Mind", by Acharya Shantideva.*)

Another version reads:

"34. The Lord declared, "One who brings forth an impure thought in his heart against a benefactor, **a Child of the Jina**, will dwell in hells for as many eons as there were impure thoughts"."

In "The Little Avesta" ("Khorda Avesta", "10. Mihr Yasht"), in one of the Hymns to Mithra, Ahura Mazda says to the Great Zarathustra ("He of the Golden Light"), also called Zoroaster:

"Verily, when I created Mithra, the Lord of Wide Pastures, O Spitama (Zaratushtra)! I created him as Worthy of Sacrifice, as Worthy of Prayer as myself, Ahura Mazda. 2. **The ruffian who lies unto Mithra brings death unto the whole country, injuring as much the faithful world as a hundred evil-doers could do...**"

Anyway, the "opponents", even if they do not realize or want to accept it, in so doing against the BODHISATTVA of a Venerable Master of the White Lodge, with these actions, all they do is sink, and the Master ascends... However, the Master, in his Love and Compassion, is willing to forgive and help elevate whoever truly repents in heart and deeds.

THE DALAI LAMA A SELF-REALIZED MASTER

"... this Dalai Lama is, indeed, a Self-Realized and Conscious Master... A complete Adept! In the fullest sense of the word. Wonderful!" (V.M. Samael Aun Weor).

In his previous Reincarnations, H.H. the current Dalai Lama had already created the Bodhicitta and his Higher Existential Bodies of the Being.

Our Venerable and Beloved Master Samael Aun Weor, referring to the Path of Francis of Assisi in these final days, says that:

"... that path is *almost* impossible in these cities and in these times we are living in."

At that time, Francis of Assisi could carry out his alchemical work in "the Ninth Sphere", outside his physical body, with a Priestess Wife, or Hermetic Vessel, in other dimensions.

Everything was very favorable for Francis of Assisi to be able to perform, out of his physical body, his Esoteric Work in the Ninth Sphere, in the practice of the Arcanum: the time he was living in, his life in the forests, in the mountains, amidst nature, without the widespread evil, without pollution, and without the frenzy, materialistic and noisy life of these times...

"... in Tibet much is spoken of the "DAKINIS", and some monks who do not have a priestess-wife in the physical world have married Dakinis: ladies who roam the clouds, invisible -strange ladies indeed- flying through the clouds; tangible people; those are very special beings."

- Question: "But they live in the Astral, don't they?"

- Master's Answer: "Well, they live in the Astral, in the Mental, and in the Causal, and EVERYWHERE. Obviously, **those monks have married them and performed all their Esoteric Work with them, they have worked in the Ninth Sphere with them.** In turn, some women of a certain spiritual category

have been able to marry DEVAS and work in the Ninth Sphere with Devas without needing to have a man of flesh and blood."

"So all that is possible. But it is possible for those people who still have really a very little Ego left. In order for a woman to have the high honor of marrying a Deva, she must obviously have a tremendous degree of purity, she must have destroyed the Ego a lot; only then could she receive a Deva as husband. In order for a man to be able to receive a Dakini as priestess, he must have purified himself a lot, he must have eliminated a great many psychic aggregates."

- Question: **"Is that the case of Saint Francis of Assisi?"**

- Master's Answer: **"Francis? It is possible that... Well, he had already worked in former lives, and in his new existence he must have worked with some Dakini; that is obvious. These are very strange cases that are not common, they are not common..."** (From an Esoteric Lecture by our Venerable and Beloved Master Samael Aun Weor).

"... Francis of Assisi Christified himself totally by the power of sacrifice." (Our Venerable and Beloved Master Samael Aun Weor's Teachings.)

BODHICITTA
AND
BODHISATTVA

"Bodhicitta is formed by the merits of love and supreme sacrifice for our fellowmen."

We dedicate every instant of our existence to working intensely to help toward the Salvation of all beings, of all Poor Suffering Humanity.

Our Path is the Path of the radical and definitive renunciation of the Nirvana of the "solitary" and selfish "pratyekas" and "sravakas" who only want to save themselves regardless of Humanity.

We do not want flattery or honors or powers or earthly, nirvanic

or heavenly rests; or money for the teachings that we give freely, in an altruistic way to all Poor Suffering Humanity.

We only want to do the Will of our Father who is in Heaven and be helpful to Poor Suffering Humanity.

As persons we are just a member of Humanity, "a poor, more or less imperfect man." "I am a miserable worm of the mud of the earth, I am an ordinary man. My person is worthless; the work is everything".

"... esoterically, it is not the disciple or the learned Manjusri personally that" receives "honours, but the divine Bodhisattvas [*the Human Soul*] and Dhyani Buddhas [*"the Buddha's spirit or monad"*, "*the triad emanating directly from Âdi-Buddha*"] that" animate... "the human forms."

Our only Path is The Direct Path, the Direct Way that leads us to the Absolute, the Path to Christification and total Liberation, the Middle Way, the Path of the Bodhisattva of Compassionate Heart who is sacrificing and will always sacrifice himself with Conscious Love for Humanity "as long as there is a tear to wipe away."

This is the Path of the "Bodhisattva-Yana", or "Vehicle of the Bodhisattva", that gestates "in the psychological atmosphere of Bodhicitta" ("the awakened and developed Conscience") that is achieved on the solid and firm basis of "The Three Factors of the Revolution of the Consciousness" practice.

"There are TWO TYPES OF BODHISATTVAS: Those who have BODHICITTA within themselves and those who do not. What does "Bodhicitta" mean...? Simply, it means that on the basis of several renunciations and entire Kalpas, manifesting themselves in the worlds and renouncing any degree of Happiness, they work for humanity. These possess the Existential Bodies in pure Gold since that is Bodhicitta: THE HIGHER EXISTENTIAL BODIES OF THE BEING, and WISDOM, and EXPERIENCE gained through successive eternities."

"A Buddha's Bodhicitta is actually a properly prepared Bodhisattva who can perfectly perform with efficiency all the works the Inner Buddha has entrusted to him."

"Do you think by chance that the Bodhisattva who has really,

truly developed, let us say, on the living ground of Bodhicitta could possibly fail in the tasks he has to perform? Obviously he does not, since he is properly prepared!"

" "Bodhicitta" precisely means all those Experiences, all that Knowledge acquired throughout the ages, the Pure-Gold Vehicles, the manifest Wisdom of the Universe..." (*V.M. Samael Aun Weor*).

"(Only Bodhisattvas who sacrifice themselves for humanity can incarnate the Christ.)

(The sacred title of Bodhisattva legitimately belongs only to those who have renounced all Nirvanic happiness for the love of suffering humanity.)

(Obviously, prior to the Bodhisattva's birth, Bodhicitta must be formed within us; it is also worth clarifying that it is necessary to disintegrate the Ego, the 'I', in order for Bodhicitta to arise.)

(Bodhicitta is formed by the merits of love and supreme sacrifice for our fellowmen.)

(Bodhisattva is formed within the environment and psychological atmosphere of Bodhicitta.)

(Therefore, do not mistake Bodhicitta for Bodhisattva. Bodhicitta is the awakened and developed superlative conscience of the Being.)

(Bodhicitta arises in the aspirant who sacrifices himself for his fellowmen long before the mercurial bodies have been created.)" (V.M. Samael Aun Weor).

"Bodhicitta" is gradually formed while we eliminate our psychological defects, and by the practice of MAITHUNA and Conscious Sacrifice for all Poor Suffering Humanity; and "Bodhicitta" will reach its completeness only once we achieve the total and radical elimination of our psychological defects, or 'I's', that is to say, once we attain total "Buddhist Annihilation".

The "Bodhisattva" is the Human Soul (Tiferet, the Superior Manas, the son of the Son, the Son of Man, Kwan-Shi-Yin, Avalokiteshvara, the Intimate, Inner Christ of a Master of the Direct Path) incarnated in its Vehicles, or Higher Existential Bodies of the Being: Physical, Vital, Astral, Mental, and Causal, so as to accomplish "a great mission" for the good of the Father's Great Work and of all Poor Suffering Humanity.

THE BUDDHA AND THE CHRIST are and live permanently, continuously in our Heart, joined together in constant harmony as a Oneness...

Our Heart is the shelter where every Human Being lives: All Poor Suffering Humanity. For every Human Being "is also Humanity".

"May all Beings be Happy!"

"May all Beings be Blessed!"

"May all Beings be at Peace!"

BUDDHA'S BOWL

"... There are also people who are very full of themselves; those people do not want to listen to the word, do not have an empty space, a little place for our word, they are full of themselves: Of their conceit, their pride... their vanities, their theories, etc., then the word has no place to enter... Where would it enter if

these people are full of themselves?... [...]"

"We must KEEP BUDDHA'S BOWL UPWARD, the "Pot", so as to receive the Christic Word; **but instead of doing that, people set the Pot downward...** So, it would be necessary first to acknowledge our own nothingness and inner misery in order to leave a space in the Bowl, in the Cup, in the Pot... indeed, a place for the Word."

"But as long as we are full of ourselves, how could the Word enter into us? Or, in other words, how could we learn to listen from the psychological point of view? For to know how to listen logically or to know how to listen, let us say, physically is a relatively easy thing, but psychologically, how hard it is to know how to listen! One must be in a receptive attitude, with the Pot upward, waiting for the "food" with the Bowl or Cup in Buddhist fashion; but if the Pot is set downward, how can the "food" enter into us, how could we receive it?"

"Those who are full of pride, of self-sufficiency, those who are full of theories, do you think by chance that they are in the right state to be able to receive the Word? First of all, we must **ACKNOWLEDGE OUR OWN NOTHINGNESS AND INNER MISERY** before being able to receive the food of the

Word; and it is not possible to receive that "food" if we are not able to listen..." (*Our Venerable and Beloved Master Samael Aun Weor's Teachings.*).

"... the esoteric and religious future of tomorrow's humanity will undoubtedly have the best of CHRISTIC ESOTERICISM and the best of BUDDHIST ESOTERICISM, that is to say, Buddhist Esotericism and Christic Esotericism must integrate, fuse together; they are two parts of our own Being..." (*Our Venerable and Beloved Master Samael Aun Weor's Teachings.*).

WHITE TANTRISM

The Path to total Liberation is only possible through chaste, faithful, ardent and pure Love between a Man and a Woman, practicing during lifetime the Maithuna, Sexual Alchemy, White Sexual Magic, White Tantrism, the loving sexual union here in the three-dimensional physical world between the

husband and his own Priestess-wife, transmuting their sexual creative energies without ever losing even a drop of the Sacred Sperm during lifetime...

As we saw earlier, and according to our Venerable and Beloved Master Samael Aun Weor's explanations:

"... in Tibet much is spoken of the "DAKINIS", and some monks who do not have a priestess-wife in the physical world have married Dakinis..."

In more advanced esoteric processes at the beginning of "The Third Mountain", the Esotericist-Initiate continues practicing Maithuna with his Spiritual Beloved, his "Buddhi", his Spiritual Soul, his "Shakti".

Clearly, it is not enough to practice only the Maithuna. Maithuna must be performed on the basis of Buddhist Annihilation and Conscious Sacrifice for Poor Suffering Humanity.

"And YHVH God said, **It is not good that the man should be alone**; I will make him an help meet for him. [...] And YHVH

God caused a deep sleep to fall upon Adam, and he slept: and he took one of his ribs, and closed up the flesh instead thereof; And the rib, which YHVH God had taken from man, made he a woman, and brought her unto the man." (*Genesis 2: 18-22*).

The man without the woman is "alone"... and that "It is not good"...

"... as Rabbi Simeon [ben Yochai] said, the union of male and female is called 'one', the Holy One, blessed be He [*the Ancient of Days, our Father who is in Heaven*], being called 'One' only in the place where the Female also is, since the male without the female is called half the body, and half is not one. When, however, the two halves are united, they become one body and are called one." (*The Zohar, Volume IV, Section Vayikra*).

For "... neither is the man without the woman, neither the woman without the man, in the Lord...." (*1 Corinthians 11: 11*).

"... And when is a man called 'one'? When he is male with female and is sanctified with a high holiness and is bent upon

sanctification; then alone he is called one without blemish. Therefore a man should rejoice [*unite sexually with love, purity, and chastity*] with his wife [*his spouse*] at that hour [*in the early morning, after midnight*] to bind her in affection to him, and they should both have the same intent. When they are thus united, they form one soul and one body: one soul through their affection, and one body, as we have learnt, that if a man is not married, he is, as it were, divided in halves, and only when male and female are joined do they become one body. Then God rests upon 'one' and lodges a holy spirit in it: and such are called 'the sons of God', as has been said." (*The Zohar, Volume V, Section Kedoshim*).

"... all females are in the shelter of the Shekinah, and it abides with one who has a wife, but not with one who has none..." (*The Zohar, Volume II, Section "Vayechi"*).

"The enemies of Love are called fornicators. These ones mistake Love for desire. Any Magician who teaches the ejaculation of semen is a Black Magician. Whoever spills the seminal fluid is a fornicator. It is impossible to reach inner Self-Realization unless we kill animal desire. Those who spill the Vessel of Hermes are unable to love. Love and desire are

incompatible. Whoever spills the Vessel of Hermes is victim of animal desire. Love is incompatible with desire and fornication." (*V.M. Samael Aun Weor*).

"In White Tantrism there is Lingam [*male sexual organ*] Yoni [*female sexual organ*] connection without ejaculation of Ens Seminis [*the entity of Semen*]. Really, the religious sexual practice is the Maithuna." (*V.M. Samael Aun Weor*).

"... fundamental Esotericism [*that*] leads us along the sexual way up to the Incarnation of the Word [*the Inner Christ*] and final liberation..." (*V.M. Samael Aun Weor*).

The union of the man's male sexual organ within the woman's female sexual organ, namely, between the husband and his own wife, without ever ejaculating even a drop of semen during lifetime, transmuting it into creative energy and turning this loving-sexual union (Maithuna) into "*a form of prayer*" (as Saint Augustine said), is the only method of "Controlling Conception and not Birth" accepted by the Venerable Great White Lodge (the Hosts of Heaven).

Contraceptives, prophylactics, or condoms, spermicides, abortions are completely unnatural methods because not only

do they kill life, but they also promote fornications, adulteries, sexual degeneration; they foster lust and kill Love...

DHARAMSALA

photo

- Photograph of Dharamsala, Himachal Pradesh state, India, provided courtesy of our dear Friends and Brothers of our beloved Community who were there during the months from September to November, year 2010, delivering our Message to H.H. the Dalai Lama -

On "November 3, 2010, at about 17:00", Heaven gave us the Grace of being able, through several dear Friends and Brothers of our beloved Community who were in India in those days, in

Dharamsala town, Himachal Pradesh state, India, to get our Message delivered to H.H. the fourteenth and current Dalai Lama "through the reception and security staff of his residence" (in Dharamsala), along with an English translation of the words of our Venerable and Beloved Master Samael Aun Weor, the true Maitreya Buddha and Kalki Avatar of the New Age of Aquarius, concerning the current Dalai Lama, contained in our work titled "*El Sol Verde y el Cristo Interior* [*The Green Sun and the Inner Christ*]", whose texts in English are included a little further below in this publication.

Dharamsala is the city where H.H. the Dalai Lama *Tenzyn Gyatso* has is home-in-exile.

There are no "coincidences" but "Causalities"...

Some months later, three months and three days, on Sunday "morning, February 6", year 2011, H.H. the Dalai Lama gave "for the first time in history" the Buddha Maitreya Initiation ceremony publicly, at the Gaden Shartse Monastery in India, to which he summoned "10,000 monks to help initiate Maitreya Buddha's teachings"...

In its "Individual" key or meaning, The true and authentic

Maitreya Buddha incarnate is our Venerable and Beloved Master Samael Aun Weor...

"The Maitreya Buddha Samael is the Kalki Avatar of the New Age, the white horse rider. But his son, the poor servant who is writing this Message of Aquarius, really does not feel even worthy of kissing the Father's holy feet."

"The Maitreya Buddha shines with glory, and his son kneels down." *(From "The Message of Aquarius" by our Venerable and Beloved Master Samael Aun Weor.)*

"... 'Kalki Avatar' is certainly the Avatar for the Age of Kali Yuga in the Age of Aquarius."

"The word 'AVATAR' means 'MESSENGER'. Unquestionably, let it be understood that 'Messenger' is 'whoever delivers a message'; and as I had been given the task of delivering such a message, I am called 'Messenger', in Sanskrit: 'Avatar'. A Messenger, or Avatar, in the fullest sense of the word, is a 'Runner', the man who delivers tidings, a Server, or Servant, of the Father's Great Work. This word should not give rise to misunderstandings, it is explained with complete clarity."

"Therefore, I am an Attendant, or Servant, or Messenger who is delivering a message. Sometimes I said: 'I am a Cosmic Postman in that I am delivering the content of a Cosmic Letter'. So, my dear brothers, the word 'Avatar' should never lead us to pride, since it only means that, and nothing more than that: He is an Emissary, someone, an Attendant, a Servant who delivers tidings, a message, and that is all."

"As for the words 'MAITREYA BUDDHA', we should analyze them a little to make no mistake. The INNER BUDDHA in itself is, so to speak, the Inner Real Being of each one of us. When someone's Innermost or Inner Real Being has properly attained Inner Self-Realization, it is declared 'Buddha'."

"The word 'MAITREYA' is individual and collective. From the individual point of view, it would represent a Master called 'Maitreya', but from the collective point of view, so to speak, we should understand 'Maitreya Buddha', in the fullest sense of the word, as any Initiate who has achieved, let us say, Christification, and that is all. I have spoken!" (*Our Venerable and Beloved Master Samael Aun Weor's Teachings.*)

Our Venerable and Beloved Master Samael Aun Weor, the Maitreya Buddha and Kalki Avatar, is the Initiator of the New Age of Aquarius that started on "February 4, 1962, between 2 and 3 in the afternoon", Mexico time; between 5 and 6 in the afternoon, Paraguay time; and on February 5, India time; and on this date (Saturday, February 5, 2011), on this same occasion, H.H. the Dalai Lama gave the "Yamantaka" Initiation.

In "Vajrayana" Buddhism (*the Tantric vehicle of Buddhism*), "Yamantaka", manifestation of "Manjushri" the Buddha of Wisdom, is the "Protector of Dharma", the "Destroyer of Ignorance", and he who eliminates the obstacles opposed to Knowledge.

**SELECTION OF SEVERAL
TEACHINGS OF OUR**

V.M. SAMAEI AUN WEOR
RELATED TO
H.H. THE DALAI LAMA

"... so the DALAI LAMA is, let us say, the Theocratic Authority of Tibet..., Theocratic... But the Dalai Lama is not currently in Tibet, he is living in Northern India."

"He had to flee, ... so he now lives in Northern India. Well, he is a Master, a Self-Realized and complete Master, he is not a layman or a mere Mandarin but a Master..."

"... this Dalai Lama is, indeed, a Self-Realized and Conscious Master. On one occasion, precisely, I received the visit of the Dalai Lama. I was there in the Higher Worlds, and I decided to talk to him; he came over and we talked; he wanted to ask me something (or ask Him who is inside me since my insignificant person is worthless). The answer I gave him was:

– "Well, I'll reply and answer your question but there in the

Physical World, not here; if you can penetrate to the Physical World, we'll talk in the Physical World person-to-person!".

He accepted the challenge and said:

- **"All right, Venerable Master, I'll go to the Physical World!"**.

- "Ok, there we'll talk!"...

"Then I came back and entered my body. Once I enter my body, incorporating myself properly and such, I said:

- "Well, let's see what happens now, let's see what goes on!"...

"There was only a chair there beside the bed... Let us see what happens... I kept watch... Suddenly a man enters the room... (In another house in the southern zone, where we lived before...), accompanied with two other Lamas."

"This Lama, the Dalai, imposing, marvelous. He came in, he greeted..."

- **"Sit down Brother!" I said to him.**

"There was only one chair, and he sat down there; the other two stood on either side of him. I said to him:"

- "I congratulate you on having kept your word; here in the Physical World we can talk!".

- "Perfectly!"

"I thought they would discuss political issues or the like; no! It was about personal questions of the Dalai Lama and the other two Monks who were accompanying him (high Tibetan Magicians)."

"But, indeed, I was observing the Dalai carefully: A True Adept! In the fullest sense of the word. Wonderful!"

"I talked with him what I had to talk; then we all said goodbye to one another very kindly; they left, he submerged in the Astral, heading to India."

"That is what the Dalai Lama does!..."

"Indeed, when I will have to return (listen to the word: Return) to Tibet, then the Dalai Lama will be already there..."

"Gnostic Brothers, let us study now what is related to the human being."

"Some time ago, in Eastern Tibet, in the DALAI LAMA's Monastery, I had to "queue up!" with some monks in order to have a personal interview with the said Master."

"Since there were many monks who wanted to talk with the Dalai, I would obviously have to be patient, and certainly I did so. However, I tell you, brothers, that actually it was not necessary to wait a long time; the Dalai called me aside and, of course, attended me first (I am emphatically referring not to the current Dalai Lama who has taken refuge in Northern India but to his predecessor, the Thirteenth)."

"Of course, it is worth saying that some monks were whispering among themselves, saying: "We, too, are Men, and

how it is possible that this one is allowed to cut ahead of us!".

"I could perceive their words, and so could the Dalai, and I commented, saying to him:"

– "These monks believe they are Men, but you know very well that SOLAR MEN are the Buddhas."

Smiling, the Dalai said to me:

- "Yes, that's true, but we have to keep quiet; we must not tell them anything..."

"In the Monastery courtyard, we discussed many important things with that great Master..."

"Many years have passed since then, and now, here with you, I cannot help but recall that event..."

"... Right now, the World Salvation Army is powerfully advancing all over America. Our Movement already shines

gloriously throughout the Western Hemisphere. Later, we will have to bring Gnosis to Europe [...] A little later in time, we will move on to Asia, and it is said that our Movement will reach its apogee, its greatest splendor, there."

"Once this has been accomplished, I will have to go deep into the country of Tibet."

"At that time the Dalai Lama will have returned to his throne..."

"I will be on some secret mission in Tibet, and then I will definitely move on to Agarthi."

"It will be in the Land of Jinas, in the Fourth Vertical, where I will live for some time in the company of many Initiates on the eve of the Final Cataclysm that, as far as I know, will be in the next century, after the year 2000."

"We, a group of Brothers, Lamas, Adepts of the Fraternity of the Inner Light will again abandon those Eastern Holy Lands to come to the Western World. **Then we will no longer come writing books or giving lectures, but LOOKING FOR**

THOSE WHO ARE SELF-REALIZED or, at least, for those who have **DISSOLVED** at least **50% OF THE EGO**, at least that. **THESE WILL BE THE SELECT ONES.** We will know with exact perfection how to find them again on Earth, we do not need their postal or home address, and we will take them secretly to the Promised Island."

"In the aftermath of the Great Catastrophe, Earth will be surrounded by fire and steam, and the select ones will be able to see from that island the deadly duel between fire and water. Two centuries later, the rainbow will shine in the clouds again, token of a new covenant between God and Men. New lands will have emerged from the depths of the oceans in order to fulfill the prophecies of the Apostle Peter in his Second Epistle to the Romans. And there will be new skies and new lands; the select nuclei established in those lands will originate the future Sixth Root Race. Into the New Age nobody who has Ego will be admitted. When the nucleus of select ones will settle in new lands, they will have already dissolved the Ego, and those among the select group who will embody will be devoid of Ego. In the New Age it is forbidden to give a body to those who have Ego. If a person had Ego in the future Golden Age, that person would end the Golden Age, he would be

detrimental to everyone, he would cause serious harm. That is what I can answer at the moment."

"... on the eve of the Great Cataclysm, those who will serve as nucleus for the Sixth Root Race will be taken from all countries of the world."

"Obviously, we are working hard now, and after the ASIAN WORKS, personally, a very important mission is awaiting me in TIBET itself. At that time, [...] the Dalai Lama will have been re-established on his throne again."

"It will be precisely in those years when we will have to carry out a public and esoteric and also secret work **in the Himalayas.**"

"Finally, I will have to return... to SHANGRI-LA."

"... After having accomplished the mission, after having spent some time in Shangri-la, ALREADY ON THE EVE OF THE FINAL CATAclysm, it will be when we, a group

of Brothers working together, will come to all countries of the world, from town to town, personally GETTING ALL THOSE WHO HAVE WORKED ON THEMSELVES OUT."

"And we will come all together, a group of Brothers."

"We will no longer come to give lectures or write books; we will come only to harvest, to personally get those who have worked on themselves out. We will take those who have DISSOLVED THE EGO, or at least those who are about to dissolve it..."

"For into the New Age that is approaching, nobody who has Ego will be accepted. Obviously, if someone with Ego were accepted into that age, that one would be enough to corrupt all humanity and end the Golden Age. So those who have Ego will not have a physical body in the Future Age that is approaching. The coming age is the Golden Age and no one who has Ego, no one who has not destroyed the beast will be admitted. That is completely extraordinary."

"We, the Brothers who will be working within that group, will take those who have worked on themselves and

dissolved the Ego; we will take them to a place in the Pacific, to an island that has been designated by the WHITE LODGE as a haven for the brothers who will serve as nucleus for the Sixth Root Race."

"What is the name of this island? Obviously I have to keep it to myself. If I said it, what would happen? Everyone would go there right now, then on the day we arrive, we would not even have where to land; we would have to go back home to die, and..."

"... Therefore, we must keep absolute silence over such a place. That is, then, what awaits us..."

"Now, that future Sixth Root Race will have extraordinary individuals. Where will they get them from? I will tell you: Much has been said about EXTRATERRESTRIALS, and there is no doubt that some Earthlings have disappeared; certainly, they have been taken for a definite purpose."

"Currently there are Earth's inhabitants on Venus, there are Earth's inhabitants on Mars, there are some on Ganymede (Jupiter's satellite), and there are some on Jupiter itself and on other planets. They have been taken, and there they are crossed

with non-degenerate people, with educated people, and the result of such crosses will be brought back to Earth in the foreseeable future."

"When such a "result" will have been brought back to Earth, it, in turn, will be mixed with the nucleus **saved from the waters.** OUT OF THAT MIXTURE WILL RESULT A RACE WITH EXTRAORDINARY FACULTIES."

"For example, Ganymede's inhabitants have a more voluminous brain. Through a nerve fiber, they connect their Pineal Gland with the Pituitary and the latter with the optic nerves; result: natural-born Clairvoyants! For them Clairvoyance is a function as natural as it is for us that of the eyes or that of the ear."

"Moreover, this kind of brains have developed areas that the Earthlings do not have yet. Out of the mixture of Earthlings and this kind of human beings will result an extraordinary humanity."

"And then, with the other planetary inhabitants, whether of Venus or Jupiter itself or Mars (who are all endowed with

certain wonderful Faculties that Earthlings do not have), there will be a set of Faculties that will emerge in the Sixth Root Race by crossing Earthlings with people from those other worlds. So you will understand why some present-day people have been taken to other planets. Moreover, I want to tell you that crosses between Extraterrestrials and Earthlings have been made right here in our world."

"The last thing I will have to do concerning the dissemination of the Solar Christic Gospel will be to go deep into the Himalayas. I am already in touch with certain Tibetan Lamas who are awaiting me."

"On my arrival in Tibet, the Dalai Lama will have been restored to his throne [...]".

"... At the end of it all, on express superior orders, I will enter Shangri-la. [...] **we will have to stay away as long as the yeast is fermented**; it is necessary to give those who have received the Teaching time to work on themselves."

"Obviously, my dear brothers, a day will come when a certain

group of Brothers dedicated to the Great Service (among whom is my insignificant person) will come from the Himalayas no longer to give lectures or write books, but with a different, yet similar, purpose and on the same basis: to get those who have worked on themselves out of every place (in the Western and also in the Eastern world), then we, the brothers of Service, will take them where we have to take them before the Great Cataclysm comes..." "HELP ME

GET

FERTILE SEEDS"

In 1996, our Venerable and Beloved Master Rabolú informed us that:

"The Rescue of the small handful of people who will be taken to the Exodus, they will be rescued in Flying Saucers."

Our Venerable and Beloved Master Samael Aun Weor, along with other Venerable Masters of the Great White Lodge, will come in these Extraterrestrial Spaceships to rescue the few Fertile Seeds that have Germinated, Blossomed and are bearing Fruits...

Those few Seeds are the Seeds that were entrusted to me on the Island of Exodus, as I told earlier: some Green-Blue colored Little Seeds and other Red-colored Little Seeds...

And these Little Seeds will have to spring up from among our dear Friends, Brothers and Sisters, of our beloved Community whom I can help to Die more continuously, more directly... and who devote themselves more and more to the altruistic, voluntary, dedicated Service, consciously sacrificing themselves for all Poor Suffering Humanity in the Father's Great Work...

The "New Progeny", "The Progeny of Metatron", will have to spring up from some few people who can be taken as "Fertile Seeds" and will be rescued to another Planet or to the "Island of Exodus" in Elven Spaceships of Light before the Final cataclysm that is approaching.

The mission of getting and caring for these "Fertile Seeds" has been entrusted by our Venerable and Beloved Master Samael Aun Weor and our Venerable and Beloved Master Rabolú to V.M. Thoth-Moisés, who is also Metatron Sar HaPanim.

I transcribe a Letter that our Venerable and Beloved Master Samael Aun Weor wrote to us, announcing to us the rescue and care of the "Fertile Seeds" in these end times:

"Mexico, D.F., June 14, 1974."

"Mr. Luis Bernardo Palacio"

"Paz Inverencial"

"Receive my gnostic greeting."

"I am replying to your little letter dated May 22."

"Infinite thanks for your donation sent to the Mexico Headquarters."

"Of course, I will give you all the aid needed; in order to run a Great Gnostic Campaign in Canada."

"Right now there is no Gnosis at all; and it would be really extraordinary if you could help me out in this Father's Great Work.."

"Prepare yourself well before leaving the country, carry in your heart and mind; all that Gnostic wisdom is, and **help me get fertile seeds.**"

"MAY YOUR FATHER WHO IS IN SECRET AND YOUR DIVINE MOTHER KUNDALINI BLESS YOU."

"Samael Aun Weor"

This is the Mission that we are now carrying on, helping our Venerable and Beloved Master Samael Aun Weor and our

Venerable and Beloved Master Rabolú "get fertile seeds..." before the final cataclysm that is approaching... and that is at the doors... for the rescue to another Planet or to the Island of Exodus in Elven Extraterrestrial Spaceships of Light, and from which the "New Progeny", the "Progeny of Metatron", will spring up...

In order to be Rescued to the Island of Exodus in Extraterrestrial Spaceships, the elimination of at least 50% of the psychological defects is required. And this result can be achieved only by couples, married couples, who are Working with "The Three Factors of the Revolution of the Consciousness."

People who cannot practice the Three Factors, single men, single women, if they manage to eliminate 40% of the psychological defects by dying constantly with true super-efforts "from instant to instant, from moment to moment", they will be rescued to another safe place in Extraterrestrial Spaceships.

"THE DOCTRINE OF BUDDHIST ANNIHILATION"

Asunción, Paraguay. August 24, 2010.

Floating in my Astral Body and accompanied by another person, I was watching Ashoka and many of his warriors engaged in bloody battles.

"Ashoka the Great", "was an Indian emperor of the Maurya, or Morya, Dynasty".

"... *Dharmâsôká*—the Asoka of the good law—on account of his devotion to Buddhism... was the most zealous supporter of Buddhism; he, who maintained in his palace from 60 to 70,000 monks and priests, who erected 84,000 *topes* and *stupas* [columns] throughout India, reigned 36 years [234-198 BC], and sent missions to Ceylon, and throughout the world. The

inscriptions of various edicts published by him display most noble ethical sentiments, especially the edict at Allahabad, on the so-called "Asoka's column", in the Fort. The sentiments are lofty and poetical, breathing tenderness for animals as well as men, and a lofty view of a king's mission with regard to his people, that might be followed with great success in the present age of cruel wars and barbarous vivisection."

After many battles, tired of so much violence, Ashoka and a select group of his warriors withdrew to the desert. But as they longed for fighting in battles, they practiced fighting each other in groups of two, forming a circle around Ashoka who was in the middle.

While his warriors were practicing combat, an Oriental Child, seated in oriental style on a cushion placed on a small rug, appeared before Ashoka and in the circle.

The Child was THE ENLIGHTENED BUDDHA who, smiling, was addressing Ashoka...

Then a face mask appeared on the Child Buddha, covering his nose and mouth...

So Ashoka addressed one of the warriors who were in the circle, and he strongly ordered him to open his mouth wide.

And Ashoka said to him:

"How horrible is all that I see there, in the depth, through your mouth, very ugly things, and you have not disintegrated them, and you must disintegrate them!"

Ashoka then addressed another of the warriors who was next in the circle, and he strongly ordered him to open his mouth wide, but he did not want to do it, fearing what Ashoka would see and say. Ashoka ordered him very strongly to open his mouth, and he opened it, and Ashoka looked in the depth through his mouth and said to him:

"But what a horrible thing I'm seeing! A very wicked, bloodthirsty violent demon... that you've been carrying for thousands of years, and you are still carrying it!"

So Ashoka put his right hand through the mouth down to its depth and took a very bloodthirsty and wicked person (an "I", or psychological defect, an "I" of anger) out of him, and he showed it to him, saying that he had to liquidate it...

While all this was happening, I saw that the ENLIGHTENED BUDDHA Child was observing everything...

Then I saw and heard that he was naming and invoking the great Higher Hierarchies of the White Lodge, invoking at the end the Name of Master Moses.

This is the help the Enlightened Buddha and V.M. Thoth-Moisés are innerly giving to some people...

This is "The Doctrine of the Buddhist Annihilation".

"... We need to go through the **BUDDHIST ANNIHILATION here and now**; we need to "DIE" **from instant to instant**, only with the Death does the new come; if the seed does not die, the plant is not born"... *(Our Venerable and Beloved Master Samael Aun Weor's Teachings.)*

The "Buddhist Annihilation" is the Doctrine of the Buddha, the disintegration of each one of our "I's", or psychological defects, "from instant to instant, from moment to moment" in thoughts, feelings, and actions, "HERE AND NOW", throughout

lifetime, as we have been taught by our Venerable Master Samael Aun Weor, our Venerable Master Rabolú, and of whose teachings V.M. Thoth-Moisés gives testimonies.

Joy, happiness, love, inner peace, serenity, the mastering of our mind, etc. could not be possible without undergoing "Buddhist Annihilation"; that is to say, without removing and annihilating at every instant each one of our "I's", or psychological defects, we carry in thoughts, feelings, and actions.

Only by disintegrating our negative thoughts: thoughts of hatred, anger, greed, lust, envy, laziness, pride, etc., through "Buddhist Annihilation" can we use the Mind in a constructive way and put it at the service of the Father's Work and for the good of Humanity.

Only by eliminating our negative feelings and emotions through "Buddhist Annihilation" can we come to feel what love, serenity, happiness, and true peace of a quiet heart are, "the Peace that transcends everything".

Only by changing our negative actions with the help of "Buddhist Annihilation" can we change our way of acting and

achieve happiness here on Earth.

These results are not achieved by good intentions, or mental controls, or superficial changes.

"Buddhist Annihilation" is to be in constant, continuous war at every instant and for a lifetime against our own "I's", or psychological defects, in thoughts, feelings, and actions, removing and disintegrating the psychological defect at the moment we discover it with our Divine Mother Kundalini's help.

This is the meaning of the Enlightened Buddha (my Inner Buddha) and Ashoka's teaching to their warriors: Remove and annihilate each "I" immediately! And stop fighting one other...

Once we discover, by means of psychological self-observation, an "I", or a psychological defects, whether of hatred, anger, greed, lust, envy, etc. in a thought, or in a feeling, or in an action, we must immediately and without delay ask our individual, particular Divine Mother Kundalini with strength and faith to take it out of us and disintegrate it. This is the Key!

"... The 'Doctrine of the Many' is very well known in Tibet, and when it is said that 'we must destroy the psychic aggregates that personify our mistakes', Tibetans express it in the following manner: 'THE INNER BUDDHA MUST DESTROY THE DOCTRINE OF THE MANY WITHIN HIMSELF'; see that way of speaking; that is to say, 'eliminate the inhuman elements we carry within us'..." (*Our V.M. Samael Aun Weor's Teachings*).

THE SEVEN MINDS

AND

BUDDHIST ANNIHILATION

*(Teachings by our V.M. Samael
Aun Weor, Maitreya Buddha and
Kalki Avatar of the New Age of*

Aquarius).

In this Work we include the following teachings by our Venerable and Beloved Master Samael Aun Weor, Maitreya Buddha and Kalki Avatar of the New Age of Aquarius, concerning "The Seven Minds and Buddhist Annihilation", because it is urgent that our dear Friends, Brothers and Sisters, of our beloved Community and all Humanity, we all understand that without "Buddhist Annihilation" "HERE AND NOW", "from instant to instant, from moment to moment", continuously, decidedly, for a lifetime, it is not possible to achieve joy, happiness, love, peace, balance, serenity within each one of us, whether here on Earth or elsewhere:

"Much has been said about the Mind, as if there were indeed only one Mind. Certainly, there exists SEVEN MINDS: we could name the first one "Intellectual Mind" or, starting from the bottom for a better understanding, we will say that the First one is the Instinctive Mind; the Second one, the Emotional Mind; the Third one, the Mental Mind; the Fourth one, properly speaking, comes to be the Balanced Mind, etc."

"All these Seven Minds are of utmost importance. That the instinct has Mind, it is true; that the Emotional Center has Mind, it is certain; that the Intellectual Center has Mind as well, who could deny it? That the Motor Center has Mind, nobody can deny it; they are Seven Minds. One is amazed, for example, at the Instinctive Mind, how it governs the organic processes so marvelously! One is amazed at the Sexual Mind, how it governs the sexual activities of the human being! One is amazed at the Motor Mind, how it governs the movements in the organism so wisely! One is amazed at the Emotional Mind and at the Intellectual Mind."

"But you should not forget that the **THREE LOWER CENTERS** of the organic machine, namely, the Sexual, Instinctive and Motor Center, form a wonderful triangle, a splendid triangle which can perfectly manage the Three Forces (Positive, Negative, and Neutral) of Electricity. That is amazing, really. As for the merely Emotional Mind, it obviously leaves us much to think about since emotion has Mind too. And as for the Intellectual Mind, everyone already knows it."

"So the Instinctive, Emotional, Intellectual Centers, the

Motor Center, the Sexual Center, etc. have Mind."

"And there are two types of Higher Mind, namely, the HIGHER EMOTIONAL MIND and the HIGHER MENTAL MIND. Unfortunately those types of Minds are unavailable to human beings, inaccessible, unreachable..."

"Whoever really, truly wants to contact the Higher Emotional Mind and the Higher Mental Mind will therefore have to succeed in bringing the PERSONALITY to a PASSIVE STATE; [*1] and whoever wants to live continuously in contact with the two Higher Centers (the Emotional Mind and the Mental Mind) will therefore have to DISINTEGRATE not only the EGO but also the PERSONALITY." [*2]

*[*1. That is to say, "to endure, remain silent and die."]*

Before going on transcribing these most precious teachings by our Venerable and Beloved Master Samael Aun Weor, we will quote some explanations about "personality" from other teachings of the Master

[*2. "Personality is not the "I", personality does not

reincarnate, personality is daughter of its time and dies in its time. Personality is not the physical body. Personality is not the Vital body, personality is not the "I", personality is not the soul, personality is not the spirit. Personality is energetic, subtle, atomic, and it is formed by heritage, habits, examples, etc. during the first seven years of childhood, strengthening with time and experiences. Three things go to the graveyard or Cemetery: 1) Physical body; 2) Vital body; 3) Personality. The physical and vital body gradually disintegrate simultaneously. The personality wanders the cemetery or graveyard and disintegrates only over several centuries." (*Our Venerable and Beloved Master Samael Aun Weor's Teachings*).

[...]

"(Obviously, the personality, too, must be reduced to cosmic dust, annihilated.)

(Personality is never homogeneous.)

(Personality has many heterogeneous, subjective backgrounds.)

(Personality is multiple.)

(Karma is deposited in the personality.)

(Personality is Dry Mercury and Arsenicated, or poisonous, Sulphur; the Workers of the Great Work are aware of it.)

(Personality interferes with the body and the Being.)

(Personality serves as an obstacle to enlightenment.)

(Once the personality and the ego are destroyed, all subjective interference will end, and the Being will resurrect within us to express himself in all his fullness.)

(The resurrected Being expresses himself with Wisdom, Love, and Power.)"

[...]

"(It is evident that the psychic aggregates are dry Mercury in which the Light of the Consciousness is imprisoned.)

(We must annihilate the psychic aggregates and the arsenicated Sulphur.)

(The poisonous arsenicated Sulphur is an infernal type of fire in the animal depths of the human being.)

(The arsenicated Sulphur is the appalling serpent Python which was slithering in the earth's mud and which Apollo, irritated, wounded with his darts; it is Satan's tail.)" *(Our Venerable and Beloved Master Samael Aun Weor's Teachings).*

"What is the Dry Mercury? We have spoken about it, but today I repeat it again: It is formed or represented, let us say, by all

the "I's" we carry inside. And what is the Red Salt, or ARSENICATED SULPHUR? It is the Infrasexual Fire, the Fire that emanates from the abominable Kundartiguador Organ." (*Our Venerable and Beloved Master Samael Aun Weor's Teachings*).

"Dear gnostic brothers, I ask you to understand. Love must reign in Liturgy and everywhere; **but to make it reign, it is necessary to eliminate the DRY MERCURY and the ARSENICATED SULPHUR from our psychological nature.** Dry Mercury is no other thing than those multiple psychic aggregates, living personifications of our psychological defects, that we carry inside us. The Arsenicated Sulphur is the libidinous Poisoned Fire, the fire that stems from the abominable Kundartiguador Organ, the Infernal Fire that is found in man's deep Atomic Hells. Unless we eliminate all that Dry Mercury and that Arsenicated Sulphur from our Nature, it will be impossible for that which is called LOVE to arise in the hearts..." (*Our Venerable and Beloved Master Samael Aun Weor's Teachings*).

After the Master's previous valuable explanations, let us continue the transcription of our Venerable and Beloved Master Samael Aun Weor's teachings on "The Seven Minds and

Buddhist Annihilation":

"Much has been said about the Machine Centers, much has been perfectly said about the Instinctive Center, the Emotional Center, the Mental Center, the Motor and Sexual ones. Much has been said, really much has been said, but what has not been well clarified is that each of these Five Centers have Mind; that the Higher Emotional Mind and the Higher Mental Mind are the two highest ones."

"So, each of these Minds of the Five Centers of the organic machine: the Intellectual, the Emotional, the Motor, the Instinctive and the Sexual one, have their own Mind; and the Higher Emotional and Higher Mental Centers each have their own Mind."

"Therefore, there are Seven Minds, Seven Spheres of action of the Mind; there are Seven Minds, and in each one of them a Truth is contained; the Seven ones contain the Seven Truths. So, that is why the brothers must understand the existing relationship between Macrocosm and Microcosm."

"Once that it is understood, one can move on."

"These Seven Minds totally control the organism, especially the five ones, as I have already told you. The two Higher ones are currently inaccessible to human beings. But the Five Minds: Intellect, Emotion, Motor Center, Instinctive Center and Sexual Center completely control the organic machine."

"These Seven Minds regulate all of our activities. Unfortunately, we always have a BAD SECRETARY in the intellect, and this is actually THE EGO, the "I"."

"Man's Three Brains [*intellectual, emotional, and motor-instinctive-sexual*] are related to the Five Centers of the [*human*] Machine. Intellect, Emotion, Movement, Instinctive and Sex are related to the very Machine. The Intellectual Center, Emotional Center and Motor Center are worthy of attention. Obviously, the Motor-Instinctive-Sexual Center is a perfect triangle. The Motor-Instinctive-Sexual Center has no antagonists at all. This is why, in general, it is spoken of Three Brains: Intellectual Brain, Emotional Brain, and Motor-Instinctive-Sexual Center..."

"As I said, we have a bad secretary; it is responsible for conveying messages, for conveying representations, for

conveying impressions to the wrong Centers. It conveys, for instance, an impression to the Instinctive Center that must not go to the Instinctive but to the Sexual one, or it conveys an impression meant for the Intellectual Center to the Emotional Center, or it conveys an impression meant for the Emotional Center to the Motor-Instinctive-Sexual Center."

"Hence, human beings live completely mistaken because of the Ego, the "I", the myself, the oneself, and that is the big problem."

"These Seven Minds would work wonderfully if there were not that lousy secretary within us, that Ego, the "I", the myself, the oneself; here is the serious thing."

"Up there, in the Macrocosm, the Seven Planetary Spheres function in perfect harmony, everything works correctly. Unfortunately, down here, in the Microcosm-Man, everything works wrong: The Seven Minds function more or less abnormally due to the Ego; messages that, for example, are meant for the Intellectual Center go to the Sexual one; messages that are meant for the Emotional Center go to the Motor Center. Bottom line, everyone lives mistaken: What is

meant for the intellect goes to the sex, what is meant for the sex goes to the intellect, what is meant for the Emotional Center goes to the Instinctive Center. Under these conditions, everyone is mistaken, the Seven Minds function in the wrong way due to the Ego, due to the "I", due to the myself."

"The same does not happen up there in the Macrocosm: The Seven Minds run wonderfully."

"Why? Because everything works in harmony there: Each of the Seven Planets has its own Mind, and each of these Minds runs in perfect concordance with the whole Cosmos; here is the interesting thing."

"As for the Seven Buddhas, they have their synthesis in AVALOKITESVARA. Who is Avalokitesvara?"

"He is the synthesis of the Seven, he is the Logos, strictly, the Solar Logos."

"Gautama Sakyamuni, for instance, is the Bodhisattva of Amita Buddha, or Amitabha, but Gautama is only the Earthly Bodhisattva. What is important in Gautama is the Buddha of

Contemplation; that is the fundamental thing."

"Whoever attains the BUDDHIC STATE sets the Seven Minds in order. But to attain the Buddhic State we need, first of all, to have gone through BUDDHIST ANNIHILATION, that is: We must have desintegrated the Ego, the "I", the myself, the oneself."

"When one has gone through Buddhist Annihilation, the Seven Minds run in perfect harmony with the whole Cosmos, and then Man is perfect in the fullest sense of the word."

"But as long as the Ego exists, the Seven Minds will be in disharmony, messed up, in a bad situation, manipulated by a lousy secretary (the Ego) that, as I already said and I repeat it, is conveying the messages that are meant for one Center to another Center, making a chaos within ourselves, a chaos within our Seven Minds."

"Therefore, we need to accelerate the process of disintegration of the Ego, and that requires the Sacred Fire, the FOHAT."

"Obviously, Fohat during Manifestation is one, but Fohat outside the Three-dimensional World of Euclid is different:

During Unmanifestation and in the Cosmic Nights, Fohat is the Transcendent Sexual Electricity. Unquestionably, at the dawn of any Creation, Electricity is what organizes the atoms within the molecules, it organizes, it makes, etc."

"There are some who think that Electricity comes from an individual entity, from one of the many Beings that belong to the Host of the Great Word, but really, truly, I say that ELECTRICITY COMES DIRECTLY FROM THE ANCIENT OF DAYS, FROM THE SHEKINAH *[Shehinah] GLORY, FROM THE ANCIENT OF AGES. FROM THE FATHER WHO IS IN SECRET."

[* Shekinah (whose Hebrew pronunciation is Shehinah, '*Shuh-hee-nah*') in her aspect of Glory of the Father is the Father's Angel, the Bride of the Father, of the Ancient of Days; namely, the Divine Mother Kundalini in her Highest level... She is the Angel of the Lord who appeared to His Son the Prophet Moses in the Burning Bush of Horeb, as the Zohar teaches where it reads:

"... in the verse: "The angel of the Lord encampeth" (Ps. XXXIV, 8), the reference is to the Shekinah, as in the verse: "And the angel of the Lord appeared unto him [*unto Moses*] in

a flame of fire out of the midst of a bush" (Ex. III, 2)." "When Israel', ... , 'were journeying in the wilderness, the Shekinah went in front of them, as it is written: "And the Lord went before them by day in a pillar of cloud, to lead them the way; and by night in a pillar of fire, to give them light" (Ex. XIII, 22). They on their side followed its guidance; wherefore it is written: "Thus saith the Lord: I remember thee the affection of thy youth, the love of thine espousals; how thou wentest after me in the wilderness ..." (Jer. II, 2). The Shekinah was accompanied by all the clouds of glory, and when it journeyed the Israelites took up their march, as it says: "And whenever the cloud was taken up from over the tent, then after that the children of Israel journeyed ..." (Num. IX, 17)." (*The Zohar, Volume II, Section "Vayishlach"*).

"... 'The flaming sword which turned every way to keep the way of the tree of life' (Gen. III, 23). Now, **what is 'the way of the Tree of Life'? This is the great Matrona** [*"Matrona" in Latin, "Matronita" in Aramaic*] who is the way to the great and mighty Tree of Life. Concerning this it is written: 'Behold the bed which is Solomon's; **the three score valiant men** [60: $6+0=6$, that is to say, the 42 (kabbalistically '42' [$4+2=6$]

*equals '60') Judges who are always assisting the Divine Hierarch of the Law of God ANUBIS] are about it, of the valiant of Israel' (S.S. III, 7), namely, the Supernal Israel. 'They all hold swords' (Ibid. 8), **and when the Matrona moves they all move with her, as it is written: "and the angel of God, which went before the camp of Israel, removed and went behind them'** (Ex. XIV, 19). **Is, then, the Shekinah called 'the angel of the Lord'? Assuredly!** For thus said R. Simeon [ben Yochai]: 'The Holy One prepared for Himself a holy Palace, a supernal Palace, a holy City, a supernal City, which is called 'Jerusalem, the holy city'. He who wishes to see the King, must enter through this holy City and thence take his way to the King: 'this is the gate of the Lord into which the righteous shall enter' (Ps. CXVIII, 20).' Every message which the King wishes to send out is sent through the Matrona, and, conversely, every message sent from the lower spheres to the King must first reach the Matrona, and from her it goes to the King. Thus **the Matrona is the messenger between the upper regions and the lower. For this reason she is called 'the Angel (messenger) of God'.**" (*The Zohar, Volume III, Section "Beshalach"*)*

"Unquestionably She [*the Holy SHEHINAH...*] in herself has

the Power to organize the atoms within the molecules, the Power to organize worlds; inside Her there are the possibilities to make any Creation."

"Hence, my dear brothers, I consider that Electricity is sacred in itself, that we should look on Electricity with profound respect, with great veneration..."

"This of the Seven Minds is also related to the number Seven."

"We know very well that the Cubic Stone has seven aspects and that THE SEVEN CARDINAL POINTS ARE IN THE CUBIC STONE: The side facing up is the Fifth Cardinal Point, and the one facing down is the Sixth Point, but the Seventh is in the center."

"So in the center of the Cubic Stone of Yesod, in the center of the Philosopher's Cubic Stone, the Master has to measure himself since he is crucified; he has to measure himself in relation to the Stone, he has to understand what his degree of Inner Self-Realization is."

"The Adept who has reached the Seventh qualified Degree, the

Seventh qualified Initiation, obviously manages the Seven Minds perfectly, and by disintegrating the Ego and the Personality, he receives the BAPTISM OF FIRE, and this is transcendental. That is why in Saint John's "Apocalypse", when the Seventh Seal is reached, when the seventh seal is torn open, it is said that: "The Kingdom of God has been consummated, as He promised to his servants, the Prophets"..."

"There are SEVEN SEALS, SEVEN BOWLS (this is something that none of you could deny), and SEVEN TRUMPETS. Saint John's "APOCALYPSE" is really, truly the Book of Wisdom, it is the Book that James, the great Apostle, holds rolled up (in his right hand); it is the Book that guides the Alchemists. Without the "Apocalypse", we could not understand the Science of the Great Work. We must live the "Apocalypse" either externally or innerly. If we live it externally with all mankind, we will have to go through the Abyss and the Second Death (the Bible indicates it; the Bible begins with the creation of man and ends with the judgement of man). Therefore, the "Apocalypse" is transcendental. The Seven Angels are spoken of therein. The Bible is holy especially in the "Apocalypse" because the "Apocalypse" is a Hermetic Book. The Initiate must break each of the Seven

Seals. The First Seal belongs to the physical body. Then the Initiate, by breaking that Seal, knows the Mysteries of the Abyss. The Second Seal corresponds to the Organic Vital Foundation, to the Linga Sarira of the Hindu, and by breaking that Seal, the Initiate knows about the Science corresponding to the beheading of John the Baptist. By breaking the Third Seal, which belongs to the Astral Body, the Initiate knows all the Mysteries of the Astral World, his Sidereal Vehicle becomes a pure Gold Vehicle. By breaking the Fourth Seal, which corresponds to the Mental World, the Initiate obviously knows all the mysteries of the Universal Mind, he knows what the Seven Minds are, he has organized them correctly. His Mind, in short, has been christified. By breaking the Fifth Seal, which is the Seal of the World of the Conscious Will, obviously the Initiate becomes the Son of Man. By breaking the Sixth Seal, which corresponds to Consciousness, or to the Intuitional Buddhic Body, the Initiate knows the Mysteries of the Soul-Spirit, the Mysteries of Consciousness. And by tearing open the Seventh Seal, which precisely belongs to Shiva-Tattva, the Initiate then knows the Mysteries of the Being. There are Seven Seals that we must tear open one by one. Whoever has succeed in tearing open the Seventh Seal receives the Baptism of Fire and becomes enlightened innerly. That is what the brothers

should understand."

"However many complain about lack of Enlightenment; they say to themselves: "But well, as much as I have worked, as much as I have studied, and all in all, as much as I have suffered, and nothing, I do not receive Enlightenment. Nothing, nothing! No! What is happening to me?"..."

"They complain because they do not develop chakras, they complain because they cannot project in Astral, they complain because they are unable to travel in Mental Body, they complain because they cannot visit the White Lodge at will, they complain because they are asleep, unconscious. But they do not realize that they have not organized their Seven Minds, and they could not organize them while the Ego exists within them."

"They have a very alive, fat and robust Ego, and so what are they complaining about? How can those little brothers think of complaining when they have Ego? As long as the Ego exists, there is no right to have Enlightenment. Where are they going to get it from? Given that the Consciousness is bottled up within the Ego, where are they going to get Enlightenment

from? That is impossible!"

"You, dissolve the Ego, and you will attain Enlightenment; you, dissolve the Ego, and you will organize the Seven Minds wonderfully. But as long as you do not dissolve it, the Seven Minds of the Seven Centers in you will be altered."

"So, really, truly, we must work on ourselves in order to be able to organize the Seven Minds. Only he who has worked very hard on himself knows what it means to tear open the Seventh Seal and receive the Baptism of Fire. Whoever tears open the Seventh Seal and receives the Baptism of Fire gets in touch with the different parts of the Deep Inner Being. Then comes Enlightenment."

"One is amazed at knowing that Christ's TWELVE APOSTLES are inside oneself. And so it is: They are. There are TWELVE Cosmic POWERS inside every human being, in their own Deep Inner Being. When one knows how to get in touch with these Twelve Inner Powers, then one is Enlightened and no longer has to complain. But as long as one is not in contact with these Twelve Powers, where is one going to get Wisdom from? Where is one going to get Enlightenment from? Where

is one going to get Power from? There exist TWENTY-FOUR EMANATIONS as well, the Twenty-four Ancients who are twenty-four parts of our Being. How could we really know anything about the Zodiac, anything that would not merely be that mechanical Astrology or fairground Astrology, without being in direct contact with the Twenty-four Emanations?"

"Therefore, there are wonders within us... It has been said, and with complete clarity, that there are three kinds of relationships: First, that of one with one's own BODY (if one does not know how to relate to one's own body, one gets ill and dies). Second, the relationship with the EXTERNAL ENVIRONMENT (if one does not know how to relate to one's fellowmen, one creates conflicts and problems). But the Third kind of relationships is the most important: The relationship with each part of our own Deep INNER BEING."

"One could not relate to the Seven, or to the Twelve, or to the Twenty-Four, or to the Four, etc., etc., etc., without having eliminated his own psychic aggregates. When one eliminates his own psychic aggregates, the Seven Minds are organized; when the Seven Minds are organized, the Seven Truths are known, and when the Seven Truths are known, the Seven

Sublime Lords who are within each one of us are known. But if one has not eliminated the Ego, neither has he organized his Seven Minds, nor much less can he get in touch with the Seven Sublime Lords; he will have to live in ignorance, in error."

"So, my dear brothers, understand the need to work better on ourselves. Understand that the Intellectual Center, the Emotional Center, the Motor, the Instinctive, ... and the Sexual One have each their own Mind. Understand that the Higher Centers (Higher Emotional and Higher Mental) have each their own Mind, that there are Seven Minds, and that there are Seven Truths, that there are Seven Sublime Lords within ourselves, here and now."

"Understand that what I am saying about man corresponds to the Macrocosm; Seven Truths, Seven Sublime Lords, and Seven Minds are related to the Seven planets because Macrocosm and Microcosm correspond to each other ("as above, so below"). Understand, then, that concordance that exists between Macrocosm and Microcosm, and work on yourselves."

"Here inside me is the Fifth of the Seven (who is the last of this

race), but in the Sixth Race, at the end of the Sixth Race, the Sixth One will come; and much later, at the end of the Seventh Race, the Seventh One will come. Each of the Seven carries out his work, his mission with the Seven Races which are to exist on planet Earth. So far there have been Five Races; the Sixth and, much later, the Seventh are yet to come..."

"There are also SEVEN important CHAKRAS in the spine, and you do not ignore that. No one ignores what the Seven Churches are, that is obvious; there are Seven musical Notes, Seven Arts, etc. Number Seven is the Ladder, but in the Seventh Ladder, the Master receives the Baptism of Fire (Christ baptizes us with Fire, John with Water). On Jacob's Ladder we are baptized with water and on the Seventh Level with Fire. It is necessary for the brothers to understand all this, to take the problem of the dissolution of the Ego seriously because when the Ego disintegrates, I repeat, the Seven Minds are organized, they become perfect, and then we know the Seven Truths and the Seven Sublime Lords inside ourselves, here and now." DHARMA-RAJA
"THE
DHARMA PROTECTOR"

Asunción, Paraguay, September 28, 2010.

A little over a month later, on September 28, 2010, and being in my Astral body, I was visited by a middle-aged but young-looking, very strong, serene, smiling Oriental Gentleman...

The Oriental Gentleman approached me and told me very fondly not to worry about anything because he could solve everything...

Then I saw myself in my Astral body walking in my House where I live here in Asunción, Paraguay, accompanied everywhere by the Oriental Gentleman...

Suddenly, like in a flash, I saw that there was another tall, Black-skinned Gentleman who was accompanying the Oriental Gentleman..., he was of very strong build, brawny, with powerful, very athletic muscles, a Titanic "Hercules", so to speak... but afterward he did not make himself visible again... I knew intuitively that he was his "invisible" Protector (*Yama Dharma-raja* *, *the King of Law, the Dharma Protector?...*) who was accompanying him and who was also accompanying me everywhere but without making himself visible...

Then the Oriental Gentleman told me that he would always accompany me to protect me...

["Dharma-Raja (Sanskrit).- Literally: 'King of Justice'. This name designates the God Dharma (or Yama), the prince Yudhishthira, and also the Buddha as Master of doctrine or Law (T.G. [Spanish Edition] H.P.B.)"]*

"... Mercury [...] identical with the Mazdean MITHRA ... BUDDHA, [...] Mercury is also "HERMES-ANUBIS" the good inspirer or AGATHODAEMON..." (From "Las Tres Montañas [The Three Mountains]" by V.M. Samael Aun Weor).

THE GREAT BUDDHA'S BLESSINGS

Asunción, Saturday, April 9, 2011.

On Sabbath Day, Saturday, April 9, current Year 2011, at sunset, being out of my physical body in my Astral Body, we had the great honor of being visited by the current Dalai Lama.

I saw myself in my Astral Body lying in my bed, my Beloved Wife Gloria María Vélez de Palacio was also lying next to me.

Even if we were in our bedroom of our House here in Paraguay, it was as if we were at the same time in another place, on a Mountain top, living in a Monastery in Tibet...

Going back to the beginning of this Astral lived experience, I saw that the Dalai Lama, floating in his Astral Body with his yellow and red robe, looking his current age, approached our

bed, and smiling very fondly and with much respect, he placed his hands on my solar plexus and on my chest while saying to me with infinite tenderness and gentleness:

"The Great Buddha tells you through me that he is infinitely grateful to you and sends you His Blessings because it was for one of your action... !"

I have omitted the Dalai Lama's last words because they cannot be divulged...

Hence, with a great emotion, I got up from my bed, and with great respect I took the Dalai Lama's hands, accompanied by my Beloved Wife Gloria María Vélez de Palacio and our Son Michael who appeared at that moment; walking in our bedroom and afterward in the Great Monastery's courtyard, giving my thanks to the Dalai Lama, I said to him:

"His Holiness the Dalai Lama, I feel much joy and a great emotion, and infinite thanks for the Message with the Words and Blessings that the Great Buddha is transmitting and sending us through You, His Holiness the Dalai Lama!".

Then the Dalai Lama, addressing our Son Michael, who was very young and lean, said some words to him that I cannot divulge either...

Then we continued walking in the Monastery courtyard with the Dalai Lama who continued giving us his advice and recommendations, accompanying him to a Monastery Room where he was going to lie down to rest, and the Dalai Lama kept looking at us, smiling, with great tenderness and affection...

In "*El Libro Amarillo* [The Yellow Book]", our Venerable and Beloved Master Samael Aun Weor, the true and authentic Maitreya Buddha and Kalki Avatar of the New Age of Aquarius, tells us that:

"... In the month of May, Buddha descends to bless humanity..."

For some reason in God's Will, the Great Buddha sent us His Blessings a little earlier, on April 9, current Year 2011...
